VOCSN

V+Pro Resource Guide

Ventec Life Systems is here to support you with **VOCSN V+Pro** critical care ventilators. Below you will find information to get set up as a customer to reorder supplies as well as find resources to train and support your team.

SUPPLIES AND ORDERING

1 To order the proper supplies for VOCSN, first we need your facility to register as a customer on our website. Click here to start:

> **Customer Registration**

2 Once you are registered, you will be able to order needed supplies by clicking the following link:

> **Order VOCSN Supplies**

Click here to learn more about which supplies to reorder:

> **Supply Order Guide**

If you need a copy of the W-9 for Ventec Life Systems for your records, please **click here**

If you would prefer to send the PO over email, please send to: **orders@venteclife.com**

TRAINING AND SUPPORT

Online Resources

The materials below will give you and your staff access to all of our online VOCSN resources. The Ventec Life Systems team has put together a suite of training materials to help you learn to use VOCSN.

- **Click here** to register for live training via Zoom with the Ventec Life Systems Clinical Team

- Your staff can watch **Training Videos** to learn to use VOCSN

- If your staff would like to **earn CEU credits**, they can watch the same videos and take a test

- Our **Competency Checklist** can be modified to suit your institution's needs

- **Click here** to learn how to provide High Flow therapy

COVID-19 Support

For quick start guides, training videos, and more to help you care for patients suffering from COVID-19 with VOCSN, visit **VentecLife.com/Support**

Here are other helpful links to keep handy as you and your team learn to use VOCSN:

- **Clinical and Technical Manual**

- **Comparable Ventilation Modes**

- **Air Delivery Comparison**

- **10-Minute Video Demonstration**

- **Technical Specifications**

- **Search our Help and Troubleshooting Knowledge Base**

And as always, if you or your team needs support, you can reach out to us anytime. Call us at: **877-883-6832** (877-8VENTEC)
